

SECOND NATIONAL CFAR/APC HIV CONTINUUM OF CARE WORKING GROUP MEETING

FEBRUARY 3-4, 2014

Alan E Greenberg, MD, MPH

Professor and Chair

Department of Epidemiology and Biostatistics

SPHHS, George Washington University

Director, District of Columbia

Developmental Center for AIDS Research

DC D-CFAR Highlights

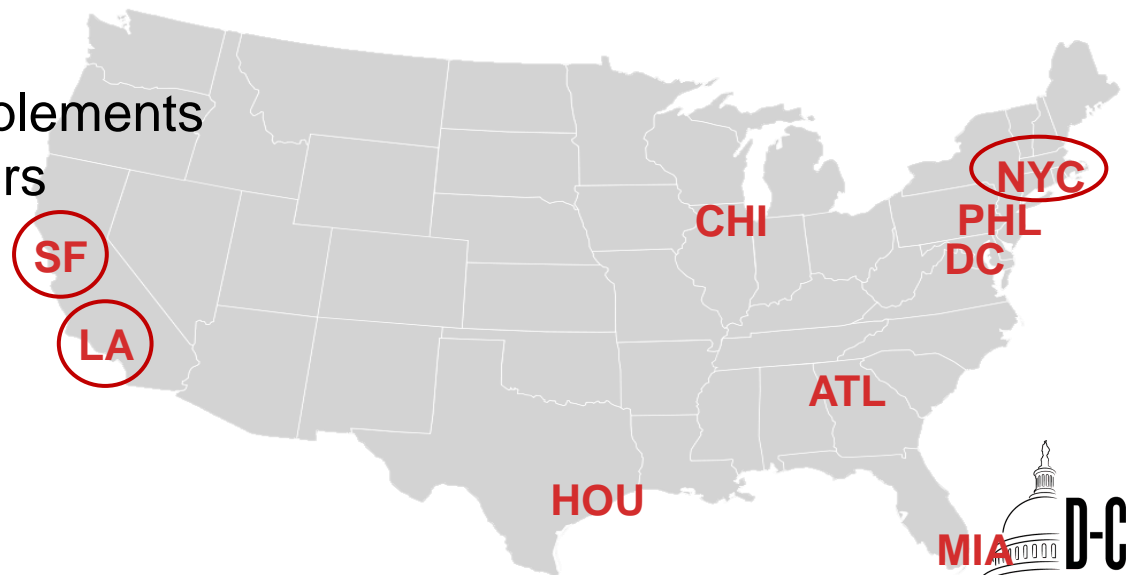

THE GEORGE
WASHINGTON
UNIVERSITY
WASHINGTON, DC

- ❑ Multi-institutional CFAR in Year 4 – 2010-2015
- ❑ Currently 180+ investigators
- ❑ 38 new NIH HIV/AIDS awards since DC D-CFAR established
- ❑ 36 newly hired faculty in HIV/AIDS at member institutions
- ❑ 21 DC D-CFAR pilot research awards for \$659K
- ❑ 10 administrative supplements for \$4.7M
- ❑ Coordinate CFAR/APC HIV Continuum of Care Working Group
 - ❑ (formerly CFAR ECHPP Working Group)

ECHPP-1 and ECHPP-2 Supplements

- ECHPP-1 (2011): CFARs in nine highest AIDS prevalence cities supported to collaborate with local DOHs to conduct research on HIV prevention and care interventions in support of CDC ECHPP initiative
- ECHPP-2 (2012): Nine CFARs supported to conduct research with DOHs targeted at the HIV continuum of care – testing, linkage, retention, adherence
- APC-1 (2012): NIMH supplements to AIDS Prevention Centers in SF, LA and NYC

1st National CFAR/APC ECHPP Meeting - 2012

- ❑ Hosted by DC D-CFAR at GWU on November 19-20, 2012
- ❑ 100 participants from 20 CFARs, 5 APCs, ONAP, HHS, NIH, CDC
- ❑ Meeting Goals
 - ❑ To present results of ECHPP-1
 - ❑ To present aims and methods of ECHPP-2
 - ❑ To expand the Working Group to all CFARs and APCs

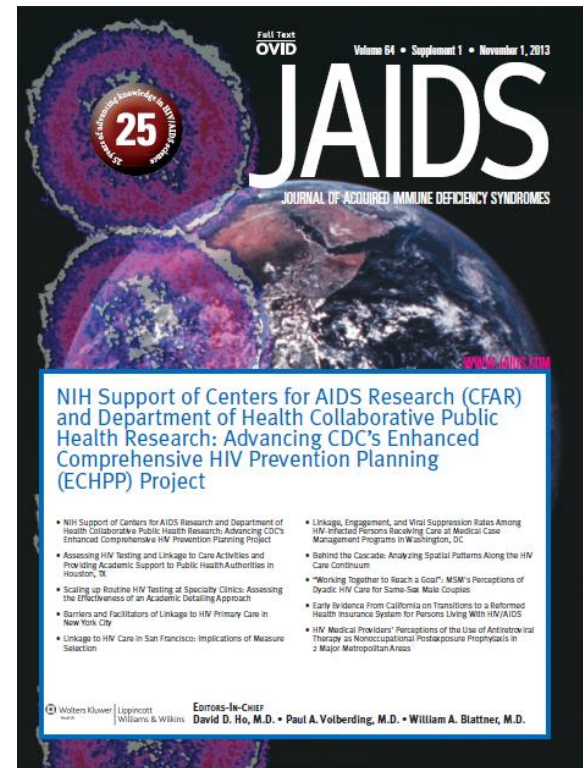

CEWG JAIDS Supplement – Nov 2013

Available at: <http://journals.lww.com/jaids/toc/2013/11011>

- Guest Editors: Alan Greenberg (DC D-CFAR), David Purcell (CDC), Chris Gordon (NIMH), Paul Volberding (UCSF-GIVI CFAR)

- CEWG Overview
- Testing and Linkage to Care
- Scaling up routine HIV testing
- Barriers & facilitators of linkage to care
- Linkage to care in San Francisco
- Linkage, Engagement, Suppression
- Spatial Patterns in the Care Continuum
- Perceptions of Dyadic HIV Care in MSM
- Transition to Reformed Health Insurance
- Perceptions of nPEP in two cities

- Alan Greenberg, Wash DC
- Thomas Giordano, Houston
- Ronald Lubelchek, Chicago
- Laurie Bauman, NYC
- Moupali Das, San Francisco
- Amanda Castel, Wash DC
- David Metzger, Philadelphia
- Tamar Goldenberg, Atlanta
- Arleen Leibowitz, LA
- Allan Rodriguez, Miami

HIV Continuum of Care (ECHPP-3) Supplement

- ❑ ECHPP-3 (2013): 10 CFARs supported to develop pilot interventions to address the HIV continuum of care building on their collaborations with local DOHs
- ❑ APC-2 (2013): Five NIMH supplements to AIDS Prevention Centers in SF, LA, NYC, CT and WIS

ECHPP-3 CFARs, PIs and Projects

CFAR	Investigator	Title of Project
Chicago	Ron Lubelchek	Using Health Information to Improve Chicago PWLHA Engagement-in-care
UCSD	Sheldon Morris	Geospatial Targeting of Young HIV-infected Men who have Sex with Men (YMSM) in CNICS
UNC	Kim Powers	The HIV Treatment Cascade: Improving measurement to target interventions
UW	Julia Dombrowski	Optimizing the HIV Treatment Cascade: A Health Department-CFAR Collaboration
Emory	Wendy Armstrong	Improving outcomes by building the cascade of care at the Grady IDP and Emory Midtown HIV Clinics
UCLA	Sean Young	Feasibility and Acceptability of Vending vs. Vouchers to increase HIV testing among African-American and Latino MSM
DC D-CFAR	Amanda Castel	Using Surveillance Data to Inform Community Based Interventions to Improve the HIV Continuum of Care”
JHU	Kathleen Page	"LaMocha Study"- to develop a mobile technology intervention to improve HIV testing for Latino immigrant men
Lifespan	Nick Zaller	HIV Care Cascade in Community Corrections: Implications for HIV Treatment Outcomes Among Criminal Justice Involved Populations
URMC	Theresa Senn	Development of a Technology-Based Intervention to Enhance Retention in HIV Care

APC-2 Sites, PIs and Projects

AIDS Prevention Center	Investigator	Title of Project
Yale (CIRA)	Paul Cleary	New Focus on Implementation Science in Small Urban Areas
Medical College of Wisconsin (CAIR)	Jeff Kelly	CAIR's Pilot Study Examining Successes and Failures in Linkage and Care Retention from the Perspectives of Health Department Staff, Care Providers, and PLH in Wisconsin
UCSF (CAPS)	Steve Morin	Retention in Care During Implementation of Health Care Reform
Columbia (HIV Center)	Robert Remien	Immediate ART: Acceptability Among Patients and Impact on the Treatment Cascade
UCLA (CHIPTS)	Dallas Swendeman	Patient Engagement and Activation Using Mobile Phone Self-Monitoring, Automated Messaging, and Web-Based Visualization for Counseling Support with High-Risk / High-Acuity Patients

2nd National CFAR/APC HIV Continuum of Care Meeting Goals and Participants

- Meeting Goals
 - To present preliminary results of the ECHPP-2 and APC-1 projects
 - To present the aims and methods of ECHPP-3 and APC-2 projects
 - To plan for future Working Group JAIDS supplements
 - To provide a forum for networking and collaboration

- 85+ participants
 - All 19 CFARs, all 5 APCs and 13 DOHs
 - HHS, CDC, NIAID, NIMH, NIDA, NICHD
 - UCHAPS, NASTAD, amfAR, TAG
 - DC D-CFAR investigators and community representatives

Review of Meeting Agenda – Day 1

- Opening Session: Welcome and Updates
 - CDC, NIH, Current Status of HIV Continuum of Care Research

- ECHPP-2 and APC-1 Projects: Formative Research on the HIV Continuum of Care
 - Northeast: DC, Philadelphia, NYC
 - South: Miami, Atlanta, Houston
 - West & Midwest: Chicago, LA, San Francisco

- JAIDS Supplement Discussion

- Adjourn at 5 PM

Review of Meeting Agenda – Day 2

- ECHPP-3 Projects: Pilot Interventions on the HIV Continuum of Care
 - West & South: Seattle, LA, San Diego, Chapel Hill, Atlanta
 - NE & Midwest: Rochester, Providence, Baltimore, DC, Chicago

- APC-2 Projects Panel Discussion
 - New Haven, Milwaukee, San Francisco, NYC, LA

- Closing Session: Perspectives on the Future of HIV Continuum of Care Research

- Adjourn at 2 PM

Housekeeping

- ❑ Presentations – see Rebecca if you have not yet submitted slides
- ❑ Staging – Moderators please sit on stage for duration of session
 - ❑ Each city bring team up prior to speaking
- ❑ Buffet lunch served in this room 12 noon (please use both sides)
- ❑ Travel or hotel questions – see Jenna or Rebecca
- ❑ W9 forms (if applicable) to Jenna or Rebecca
- ❑ Taxis and nearby restaurants – see lists in meeting folder
- ❑ Restrooms
- ❑ Luggage on Day 2 can be stored in the coat room adjacent to the ballroom

Acknowledgment

- ▣ This meeting is supported by a supplement to the DC D-CFAR (P30AI087714), funded by seven NIH Institutes (NIAID, NCI, NIMH, NIDA, NICHD, NHLBI, and NIA) and by OAR and FIC
